

I was born Dec. 20, 1902 in Midway, Utah. I was the youngest child of ten children born to Johannes (John) and Marie (Mary) Burgner. I grew up in Midway and attended school there.

On August 16, 1921 I married Arley C. Sorensen. He was from Talmage, Utah. We lived in Midway and also Park City where Arley worked in the mines.

Our first child, Rex was born August 31, 1923 in Midway. We moved to Talmage in 1925, to live. Our second child, Enid, was born on July 15, 1925. On September 29, 1925, we lost our son in an accident. We tried to make a living farming, but decided to go back to Park City to the mines.

We moved back to Talmage in 1932 and bought some raw land, which Arley and I developed. We worked hard railing brush and burning it at night, so we could get the ground ready to plant crops. We built a home and a dairy and lived there until 1947.

In 1947, we sold our farm and moved to Burbank, Calif. We bought a home and Arley went into the service station business. Our daughter had been working in Duchesne, she resigned from her job, and joined us in Burbank. She had met Wendell Foy in Duchesne and he also moved to Burbank where he and Enid were married on January 10, 1948. They have four children, 3 girls and 1 boy.

We loved Burbank very much, but in 1968 we all decided to move back to Utah. Arley and I moved to Heber and bought a home. Enid and Wendell moved to Salt Lake for two years and they moved to Heber and bought a home. Their children finished their schooling here and have also made Heber their home. I have six Great-Grandchildren, four boys and two girls.

Arley and I enjoyed many camping trips and vacations with Wendell and Enid and the children. All of us loved the outdoors. We have spent the last six or seven winters in Arizona and California. We have taken several trips with the Senior Citizens.

On June 22, 1980 Arley passed away. I still reside at my home and I am enjoying my calling as Assistant Librarian. I am very pleased that I have been able to go to the Temple and have completed our Temple work.

HAZEL Dec. 20

Bruce Summerhays was born on Valentines Day at the Ft. Leonard Wood Prisoner of War Camp in Missouri. After the War his father brought him to Salt Lake City, Utah, where he grew up. Bruce met his wife Carolyn Merrell at Highland High School. At Highland, Bruce played football, basketball, tennis and golf. Carolyn was in the pep club.

Bruce and Carolyn both attended the University of Utah, Bruce majoring in Physical Education and Carolyn majoring in English. Bruce played basketball and golf his first year and then he decided to devote all spare time to his golf. While at the "U" they were married and their first child Shelly was born.

After college, they moved to San Francisco where Bruce took a job as a Golf Professional at the Olympic Country Club. While living in San Francisco they welcomed their first three sons, Bryan, Joseph and William. They experienced much growth in the church during those years in the mission field, Bruce taught early morning Seminary for several years and was in the Bishopric. Carolyn spent seven years working in the Stake Relief Society.

When the opportunity came for Bruce to be the Head Golf Professional at Cameron Park Country Club in Shingle Springs, California (a suburb of Sacramento) they moved their family there. Their daughter Rachel and Susanna joined the family there and Bruce was again called to the bishopric.

Bruce had the opportunity to become the Head Golf Coach at Stanford University, so they moved their family back to the San Francisco Bay area in Fremont, California. Their fourth son Bruce was born while they lived there.

They have the opportunity to live in this beautiful Heber Valley where Bruce is the Head Golf Professional at Wasatch Mountain State Park Golf Course. Their fourth daughter Carrie was born here in Heber.

We have received much joy and friendship from the Saints in Heber.

Shelly graduated from Wasatch High School this May and she is now attending the B.Y.U.

Our boys are avid golfers and spend all their free time on the golf course.

Rachel and Susanna are both into gymnastics. Carrie enjoys being the baby.
